# Tsinghua Alumni E-Card Application Manual

清華大學

# Introduction

- ❖ Tsinghua Alumni E-card, issued by Tsinghua Alumni Association, is created to provide alumni with a convenient experience when they are back on campus.
- ❖ Obtainable through **a mini program on WeChat called Tsinghua Ren (清华人)** after initial registration and verification, alumni will be able to enjoy easy entrance to the Tsinghua campus, Tsinghua libraries (and library books - for viewing only, not borrowing), special ticket discounts at the Tsinghua Art Museum, and other alumni-only access events during anniversaries/celebrations.
- ❖ Once activated, **the Alumni E-card needs to be registered every year in April around the university anniversary.** The user will receive an automatic notification on the Tsinghua Ren (清华人) platform to re-register their card if they failed to re-register during the above mentioned time period. Because the Alumni E-card will be scanned in some scenarios (such as at libraries), an activated Alumni E-card is required for access.
- ❖ **This manual** is prepared for use by **international student Alumni (at present excluding non-degree students)**. For international student alumni encountering any difficulties throughout the process, please send an email to [xyk@tsinghua.org.cn](mailto:xyk@tsinghua.org.cn).
- ❖ Students can also refer to the Chinese version manual:
